- Mobile Printers

Honeywell Mobile Label Printers (RP2(F), FP4(F))

The RPf Series is a rugged and reliable direct thermal portable label printer that offers easy integrated device management, a high level of security throughout the entire printer lifespan, and upgrades that allow your printers to be updated with enhanced features in direct store delivery, field service, T&L, retail, and airline environments.

Features
- Drop specification: 2m (6.6ft)
- Tumble test: 1000 cycles at 0.5m (1.6ft)
- 7.2V Lithium-ion batteries

Upgrade Options
- Shoulder strap; hand strap; soft case; belt clip
