# Warehouse Print and Scanner Solutions

ZD220, ZD420, ZT230 and LS2208

The **ZD220**, **ZD420** and **ZT230** printers are compact, easy to use and globally the most compatible label printer brand on the market.

The Zebra **ZD220** desktop printer delivers quality and reliability at an affordable price. With USB connectivity and compatible with Windows and Apple operating systems, this is a great entry level courier printer.

The **ZD420d** desktop printer offers a similar footprint to the ZD220 with more connectivity options within the range, Ethernet, BT and WIFI.

As an industrial tabletop printer, the **ZT230** is designed for ease-of-use and reliable printing for a wide variety of applications where higher volume printing is required.

The **LS2208** (1D) and **DS2208** (1D/2D) scanners are great general purpose barcode scanners. Offering fast, reliable, high-performance barcode scanning in an ergonomic, lightweight form.

Looking for mobile computing or ultra-rugged scanners? Contact us for a range of options.
